Vicki [redacted] - age 53

Our Katrina experience was:

We lived in our home for 15 years. We had stayed for all previous storms, but decided late Sunday afternoon to evacuate to be with my mother in Bay St. Louis. She lives right off Highway 90 by Breath's Motors. When the flood waters starting coming in her house, I knew our house in Waveland was gone. We have a concrete slab remaining but our family is safe; that is what is important. We will be OK!

Write something special that you would like Santa to bring you or your family:

Camcorder or digital camera, gift card to Lowe's or Home Depot for tools and/or building supplies. We are purchasing a flooded home that we will need to repair. If we ask for large items, a refrigerator would be wonderful! — or maybe a sewing machine.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576
